

Lexis+ brings a single integrated search to Legal Research and Practical Guidance, surfacing legal insights and intelligence for academic success.

The intuitive platform enables you to quickly access all the law you need in a modern user-friendly environment, supporting students to develop their legal knowledge so they're ready for the working world.

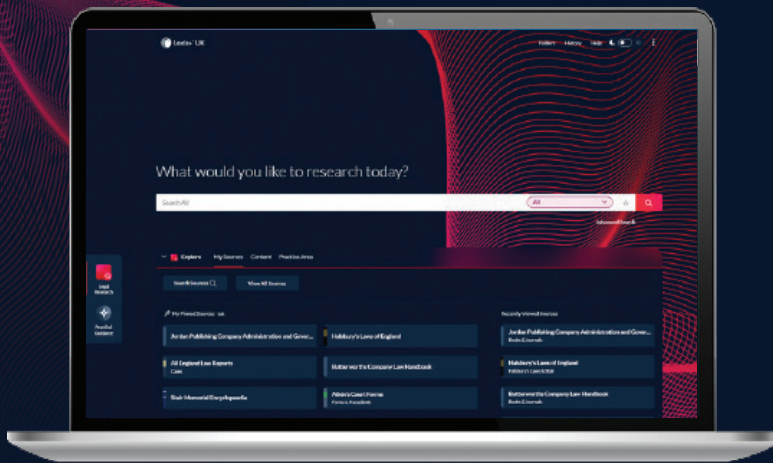

Legal Research

Research with confidence knowing that LexisNexis gives you access to UK's largest collection of up-to-date legislation, case law and commentary.

Exclusive content including Halsbury's Laws of England, Atkin's Court Forms and more than 600,000 cases with commentary, all accessed through our single powerful search.

Easily discover what the law says and what to do about it, all in one place.

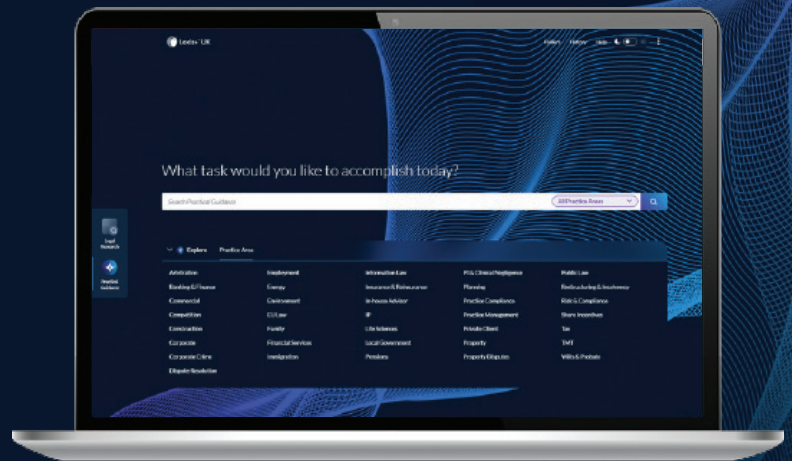

Practical Guidance

Practical Guidance provides insight and intelligence whether you're at the start of your legal journey or educating the next generation.

For faculty, it helps you prepare lessons, plan exams and get your students career-ready. For students, you can discover 'how to' guidance, worked examples and tips, as well as precedents and clause banks. It has practical examples of the legal work carried out in practice.

Fully integrated with Legal Research on Lexis+, see Practical Guidance and the law it supports all in one place.

UNIQUE TO LEXIS+

Single Search

Enter a search term once and we'll automatically look through both Guidance and Research for you.

UNIQUE TO LEXIS+

Search Term Maps

Quickly spot your colour-coded search terms in your results.

Search Within Search

Now you can search within a search, and repeat that as many times as you want, until you get the detail you need.

Boolean Builder

Create advanced Boolean searches within Lexis+ guided by our handy prompts.

Research Maps

By breaking down and analysing the search history, you can quickly identify the best content returned in different parts of the search.

Workfolders

File your way. Make notes. Share your folders from Lexis+ with your peers. Whether you're immersed in research, or drilling down in guidance, you can save the notes you make to your personal folders.

Highlighting & User Annotations

Make documents your own by adding notes and highlighting sections of text.

Pinned & Recent Sources

Pin the books and resources you've recently used, or use regularly, so they're easily to hand.

Answer Cards

Save time with our unique algorithm which recognises questions and returns a result specific to that query.

Recent Documents & History

Re-trace your steps in an instant and pick up where you left off using your recent history.

Persistent Document Links

Avoid wasting time searching for the same content repeatedly. Pin a link to a document so you can go back to it again and again, and save it to your intranet.

Modern User Interface

The world-leading legal content you expect in an interface designed for the best user experience – making it instinctively easier to find what you need.

One Legislation Single Search Results

Comprehensive results made more concise and easy to use on a single card. From there you can filter your search and better manage what you see.

Search Alerts

We'll keep an eye out for updates on the topics you choose and send an alert straight to your inbox.

The Most Comprehensive Content

Quickly and easily answer legal questions and accomplish tasks. Make better use of the unrivalled, world-leading legal content LexisNexis provides.

Please note: some personalisation features may be unavailable depending on your university's authentication system.
