Health & Safety North Conference and Exhibition at 'Event City' Manchester on 9-10 October 2018. (A Free to Attend Event)

To: All Branches

Dear Colleagues,

This 'Free to Attend' event was established in 2007. Health & Safety North is a combined Safety Industry Exhibition and Conference with a number of seminars on various safety subject matter of interest to Safety Managers and Trade Union Health and Safety Representatives alike. The organisers which include the British Safety Council state that the event creates a space for the health and safety community to come together to explore current issues and propose answers for the future as well as look at the latest products and innovations available to the health and safety world. [Registration is free now](#) and those registering will receive a credentials badge in the post giving quick access on the day and exclusive pre-event news. Health & Safety North 2018 has a host of brand new features aimed to provide the Health and Safety Community value from a visit to the show - all for FREE.

The event, which is co-located with Fire Safety North, which is where health and safety practitioners and communities from across the North of England come together to learn, network and procure. It also offers more than 36 hours of FREE CPD-accredited seminars, which cover topics such as Preparing for ISO45001, Managing a Fatal Accident and Dealing with an Inquest, Working At Height and Preventing Falls, Working in Confined Spaces and much more.

After ten successful years at the Bolton Arena, Health & Safety North moves to its new home at the 'Event City' Manchester, offering easier access for visitors, exhibitors and more.

The Registration Badge provides access to two days of professional content seminars designed specifically for the health and safety practitioner in partnership with the British Safety Council. Speakers include industry leaders and key industry influencers as they discuss, debate and confront the biggest challenges facing the Health and Safety Industry in 2018.

Fire Safety North is an independent event complete with free-to-attend CPD accredited content and major brand representation that will help fire and safety professionals achieve and maintain the very highest standards of fire safety management. Delegates can attend this event free also.

New exhibiting companies in 2018 include; Blaxtair, Amosite, Vensis, ACS Health & Safety and TUV-SUD who join a host of the UK's leading manufacturers and suppliers exhibiting.

Conference Seminars

Conference content for Health & Safety North is selected and delivered by the British Safety Council.
