Dear Theresa,

Re: Amending Health and Safety Legislation To Put Mental and Physical First Aid on an Equal Footing:

I write further to my earlier letters to you on this matter on behalf of the 200,000 strong Communication Workers Union to register our Trade Union's full support for the call for the government to deliver on its manifesto commitment to put Mental Health First Aid on an equal footing as physical First Aid, along with your commitment to accept and support the recommendations of the government commissioned 'Stevenson/Farmer' report on Mental Health in the workplace.

We look forward to a positive reply.

Yours sincerely
