

2021 Live Webinar Series

Cemtech Live Webinars

Throughout 2021 we are excited to announce our monthly webinar series covering the most pertinent topics in the cement manufacturing process.

Cemtech Live webinars are the perfect place to promote your company to our unrivalled global audience of cement industry professionals, established through over 30 years of running successful events exclusively in the cement industry.

Sponsorship Opportunities

This package includes a comprehensive lead generation opportunity, including:

- > 20-minute live presentation
- > Live Q&A with the host
- > Slides and recording available on-demand after the event for all attendees and ICR subscribers
- > Branded follow-up email sent to all registrations post event
- > Company logo and links on all pre- and post-event promotion.

Prices start from EUR 2000 / USD 2350. Space on these webinars is limited and sold on a first come, first serve basis. Please contact us today to discuss your requirements:
