Dear Colleague

New Deal for Workers - TUC online Organise festival – 9-11 July

The purpose of this LTB is to notify branches of an online festival being held by the TUC on 9th-11th July on union organising.

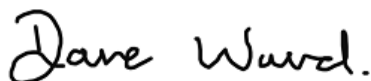

The festival is being held as part of a series of initiatives the TUC is undertaking as a result of the CWU's motions to TUC Congress on working together to deliver a New Deal for Workers.

The festival will have online sessions on new trends in organising and training sessions on new digital technologies and key elements of organising work. We would ask branches to register for information at the following link and once the final programme is confirmed, we would urge reps to attend (online) sessions relevant to them:

Any queries on the contents of this LTB should be addressed to gsoffice@cwu.org and further information on the festival will be sent to branches shortly.

Yours sincerely
