FRONTIERS RETREAT

---

26TH - 29TH OCT. 2022

## VIENNA

After the success of ESACT Frontiers Retreats held in Lyon (2016) and Zagreb (2018), the 3rd edition is planned for October 2022 in Vienna, Austria. The retreat is dedicated to **early career scientists** on the advancement of cell technologies and related fields. Building on the most valued aspects of the previous two events, this retreat brings:

- **Excellent scientific program, with sessions focused on early career speakers**
- **Dynamic workshops on soft skills and personal development**
- **Even more time for networking and interaction**

*October 26–29, 2022 at the IBIS Hotel – Vienna, Austria*

***Abstract submission until August 8, 2022***
