Dear colleagues,

**Job vacancy at the ETF – Policy Officer for Aviation**

The European Transport Workers' Federation (ETF) is a pan-European trade union federation representing more than 5 million transport workers from more than 230 transport unions in 41 European countries in railways, road transport and logistics, maritime transport, inland waterways, civil aviation, ports & docks, tourism and fisheries.

We are currently seeking to recruit a Policy Officer for Aviation.

We are ready to offer a permanent job with an attractive salary package which will be paid 13.92 times a year. Extra-legal advantages include lunch vouchers of €7, hospitalisation insurance and a complementary pension scheme. In line with our commitment to support public transport as part of our #FairTransport campaign, we also offer coverage of public transport for daily commuting depending on the travel frequency.

A detailed job description is attached.

We invite any interested candidate to send a CV and a short motivation letter in English to Josef Maurer, ETF Head of Operations, at [hr@etf-europe.org](mailto:hr@etf-europe.org) by Tuesday, 30 April. Only applications sent by e-mail will be considered.

Yours faithfully,

Livia Spera  
General Secretary
