## How do I login?

Your school will send you an invite. This invite has a web link for your school's login page, which may be through other technology your school already used, OR a login page similar to the screenshot on the left.

If you do not know where to login, search for your school at [www.parents-booking.co.uk](https://www.parents-booking.co.uk), or [www.parents-booking.live](https://www.parents-booking.live) (America and Canada), or [www.parentsbooking.com.au](https://www.parentsbooking.com.au) (Australia)

On the login page you will be able to login using one or more of the following ways:

- A single sign-on button, e.g. Google
- By typing in some personal information
- Using a username and password

### Advice:

- If you do not know your login details, check your invite email. This typically explains exactly what to type in.
- If you still cannot login, contact your school using the contact information on the login page.

# Dashboard

After logging in you will be shown any parents' evenings, events or clubs that are open or forthcoming.

For parents' evenings, you have two choices of how to make appointments, with explanations for both on the following slides:

- Suggest Bookings for Me
- Make/Edit My Own Bookings

You can also make event, club or wraparound bookings by clicking on their names.

# Suggest Bookings for Me

The Suggest Bookings for Me option is our wizard, which will ask you:

1. To choose the teachers you want to book (across multiple students, if applicable), and
2. When you are available

The magic of Parents Booking then calculates the most efficient order for your appointments.

Once you have confirmed your appointments, you can send yourself an email or print your schedule, and then you're done!

# Events and Clubs

To book an event or club, click on the name of the event or club that date that you want to book tickets/places for on your Dashboard.

Within the event or club, you will be asked to pick the date, and then how many tickets (or which students) you want to book.

If the event requires an online payment, a "Book and Pay" button will be shown rather than a "Book" button. You will be taken to the school's preferred payment provider and asked to pay before being brought back to Parents Booking to receive your ticket/confirmation.

If your school asks you to pay using ParentPay, please make sure you press the big yellow 'Complete order and return to shop' button, otherwise your tickets will not be shown.
