

# 2024/25

## Take part in an EEF-funded project!

### Opportunities for secondary schools and colleges

Sign-up in 2024 to deliver in your school in academic year 2024-25

#### Embedding Formative Assessment

Key Stages 3 and 4

**ssat** the schools, students  
and teachers network

A two-year whole-school professional development programme to improve pupil outcomes by embedding the use of formative assessment strategies. It's being offered to schools at a highly subsidised rate, after previous EEF trials showed a positive impact on attainment.

#### Targeted Tutoring for Post-16 GCSE Resit Learners

Post-16

THE  
TUTOR  
TRUST

A pilot of a 15-hour targeted tutoring programme to improve GCSE outcomes in English or maths for disadvantaged learners.

#### Mastering Mathematics

Post-16

 The University of  
Nottingham

A trial of a one-year professional development programme for post-16 GCSE maths teachers to embed 'teaching for mastery' approaches.
