

The Summer Cricket Camp will be a fun four days full of opportunities to practise batting, bowling and fielding skills using the first class facilities and equipment at Bedford School, including the nets, bowling machines and other cricket training aids. As well as improving their cricket skills, boys will play small-sided games and matches every day throughout the course.

The course is for boys currently in years 5 to 8 and, where possible, they will train within their age range and with boys of a similar ability to ensure enjoyment for all.
